

Fivehead Village Plan Steering Committee

Wednesday 5 July 2006

Minutes

Apologies: Andrew Barrett, Margaret Smith

Minutes: of June meeting were approved. No matters arising.

Finance: £585 had been paid for the printing of the questionnaire. £106.70 in our account; £1900 with the Parish Council. There are also hiring charges for the Village Hall to be paid. There should be enough in our account to pay for the publication of the final report.

Open Day, June 17: A worthwhile event. Interest the maps and photos of varying dates and places. The selection exercise in people's priorities would be written up by Bruce Whittle so that it could be compared with questionnaire results.

Questionnaire: On track and being delivered. Some deliveries had been completed; some part through. Start date 1 July: collection should be completed by 31 July. Barry Knox asked when was the final date for acceptance: to be agreed at the next meeting when we would know how they had come in.

Sue Jackson reported one refusal: some others also reported. Distributors to hand questionnaires to Barry Knox when they were collected.

Bruce Whittle would check that all raffle tickets were in for the draw on 9 August.

Mervyn Wilson to write a brief report for the Village News sheet inviting public to the draw, though it might not be out on time.

Two misprints were noted: (51c) should read height: (55) third question repeated in two sections.

Date of next meeting: Wednesday 9 August 06, 8 pm in the Village Hall.
